

# Notice on the extension of abstract submission of the ISBPLM 2022 Symposium

Dear researchers,

In order to satisfy the submission requirement of participants, the abstract submission of the ISBPLM 2022 symposium (International Symposium on Biorefining, Papermaking, and Lignocellulosic Materials 2022) will be extended to **January 23, 2022**. Please submit your abstract through our website: <http://www.isbplm2022.com>.

Thank you for your support and cooperation. We sincerely look forward to your participation.

Organizing Committee of ISBPLM 2022
